Subject Matters: CalArts MFA 2013 Graduate Exhibition

The MFA class of 2013 in the School of Art at the California Institute of the Arts (CalArts) is pleased to announce its graduate exhibition, *Subject Matters*, on view June 8-22, 2013. The exhibition will be held in various storefronts at Mandarin Plaza, located at 970 N. Broadway in LA's historic Chinatown. *Subject Matters* reflects the diverse fields that the graduating MFAs engage with outside the discipline of art, using a range of mediums and approaches.

*Subject Matters* is curated by Claire de Dobay Rifelj, an LA-based curator and art historian who has organized exhibitions at the Hammer Museum, the Dallas Museum of Art, and the Williams College Museum of Art, among other arts spaces.

A catalogue designed by Brian Roettinger will accompany the exhibition and includes contributions by Claire de Dobay Rifelj and Lauren Mackler (founder and director of Public Fiction, which exists in print and space), as well as conversations with the artists.

Please join us for the opening reception on Saturday June 8th from 6-10pm. The exhibition will be on view Wednesday-Sunday from 12-6pm, and both street and lot parking is available. For an updated list of events and performances in conjunction with *Subject Matters*, please visit [www.calarts2013.com](http://www.calarts2013.com).
